Event Planning Service

Not sure how you need your room laid out, what equipment you may need or have the time to put it all together, then why not let The Business Box help you with this! We can offer an Event Planning service to assist in your event, from bookings to set up on the day to meeting and greeting your guests. Our Event Planner will work with you in the run up to the day and be at your event to make sure everything runs smoothly.

For further information and a quote for this service, please ask reception when making your booking.
